[Full Moon Fiesta Progressive Ski / Snowshoe Dinner – Space is limited](#)

Lebanon, NH – If you're seeking family-friendly, outdoor events that won't cost a fortune this winter, search out the Full Moon Fiesta Progressive Ski snowshoe dinner held on Saturday, Feb. 11th 2012 from 6 to 8 pm at Carter Country Club – Golf Course on Rt 4 in Lebanon.

Lebanon Recreation and Parks and Lebanon Outing Club invite cross country skiers or snowshoers to don their winter gear and travel from station to station, sampling food and beverages at each stop. Tiki torches and small bonfires will provide light and warmth along the way.

Ticket prices are \$10 per person, and children 5 and younger are free. Capacity for the event is 250 people, so advanced ticket purchase is necessary. The event is "eco-friendly," and participants are asked to bring their own re-usable utensils, cups and containers to use. You may rent a set at the event for \$1. Complete details on each event, including registration information and course maps, are available at www.campfiredining.com, and to register online at <https://webtrac.lebcity.com>, or call Recreation at 603-448-5121
