

PUBLIC AUCTION

Sponsored by the Rotary Club of Lebanon

SATURDAY, OCTOBER 4

FIRESIDE INN & SUITES • WEST LEBANON, NH • 5-8 PM

TO BENEFIT UPPER VALLEY SMILES

A free dental health program for children kindergarten through 4th grade,
provided by Alice Peck Day Memorial Hospital

INVITATION TO DONATE

A member of the Rotary Club of Lebanon is contacting you about our
35th Annual Public Auction being held this coming October.

We are seeking donations of gift certificates, services, merchandise or cash.

This year, our Club will donate \$10,000 from Auction funds raised to

UPPER VALLEY SMILES

a free dental health program for school children
from kindergarten through 4th grade.

This school-based oral health program serves children enrolled in the Lebanon, Enfield, Canaan, and Hartford elementary schools. In addition to providing classroom education, free dental screenings, fluoride varnish and sealant applications, the oral health program includes a limited number of cash vouchers for uninsured and/or underinsured children needing emergency care and follow-up treatment for restorative care. Over 1,600 children benefitted from this program last year.

If treated for dental health from kindergarten to fourth grade, these children will learn how to take care of their dental and oral needs which leads to a healthier life in many ways. They will have better self-confidence, find more success in obtaining jobs, will experience better health overall, and will in general lead happier lives.

The Rotary Club of Lebanon believes the Upper Valley Smiles program must have continued support by the local community, and this year's auction, with your help, is one way to do it.
